Welcome Message from the Chairman

Hello and welcome to the Idaho Rally 2015. Thanks for coming to Idaho, we are very happy to have you here.

As each year of the Idaho Rally has done before, this year promises to be bigger and better than ever! This year we will run all stages in Boise County. This will allow us to make the transits much shorter after we get to the stages.

I have no doubt that you will like the stages. We really hope you will also enjoy the rest of the weekend's program and will want to come back. I wish you the best and hope you have a great and safe weekend at the Idaho Rally.

A5.6 PLACERVILLE SERVICE and Camping in Placerville
Service Parking Instructions 2015;

Due to the number of competitors and service rigs, it has become necessary to implement some service parking requirements. We hope these will alleviate some of the difficulties that were encountered last year.

Parking is on a 1st come, 1st served basis. You can reserve a parking spot with your paid early entry registration. If your entry fee is not paid by the end of the early registration period the parking space will be reassigned.

The parking area designated as "Service Parking #1" is reserved for those who have used the area in the past with permission from the land owner. If a vacancy occurs, permission from the land owner, by special request through the Service Parking

Coordinator, will be needed before parking is allowed.

A number of the parking areas are sized to single car teams. So if you are bringing 2 service trailers and 4 race cars the area behind the Museum probably would not work well for you. If you plan on bringing a larger service crew please contact the Service Parking Coordinator for recommendations.

Noncompliance with these directions could result in penalties and or fines.

Be safe and have fun. Remember, "Roads like these are why we Rally"

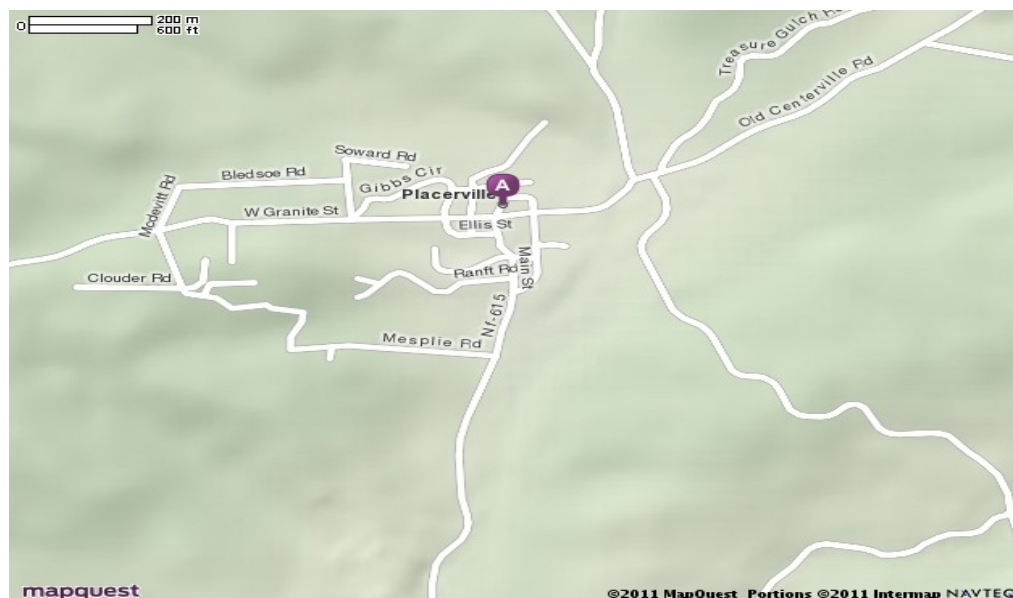

Thank You for your participation in the 2015 Idaho Rally.
