Idaho Road Rally 2017  
Idaho City Activities

On June 10 & 11, 2017 the Idaho Rally will bring part of its event to Idaho City.

Around 11:30 A.M to 1P.M., Main Street, between Walula and the Visitor center will be blocked to normal traffic as our Rally cars come into town for a brief photo shoot under the Idaho Rally International arch in front of Seasons Mountain Dinning and refueling opportunity at Tom's Service. Lane Saxton, the former announcer and flagman at Meridian Speedway, will announce the arrival and a brief Bio of the drivers and navigators along with their unofficial, current position and time for the event. After the approximately 50 cars have completed their photo shoot, Main Street will be reopened for the remainder of the day.

Sunday June 11th, Approximately 3:30 P.M., Main Street will close for the competitor's arrival to start the awards banquet held in front of Seasons Mountain Dinning. The Rally cars will be on display on Main Street during the banquet festivities. The public is invited to purchase tickets for the banquet meal. This will be a good chance for folks to meet some of the drivers and navigators. The awards will be announced and handed out part way through the banquet with a Champagne Spray under the arch following the awards presentation.

This will complete our weekend of Rallying in Idaho for 2017.

The Idaho Rally group would like to thank Larry H. Miller our title sponsor, DF Development our presenting sponsor, Boise County, Idaho City, Seasons Restaurant, and all our other sponsors for their support in making this another successful event. We encourage you to support the businesses in the area.

We will see you all again next year. "Roads Like These Are Why We Rally"

# To The Public

**Idaho Rally International:** The Idaho Rally International is put on through the hard work of its volunteers and the generosity of its sponsors. The Idaho Rally Group directs the Larry H. Miller Subaru Idaho Rally International and was formed specifically to continue the established tradition of rally competition in Idaho. It has been 6 years since we came together with the plan to put on the best rally in the US. This event went from one of the many available rally's to choose from to being a premier event looked forward to by all competitors. As it sits now we are probably the longest rally event in the United States with the shortest transits between stages. That is something the competitors enjoy.

**Volunteers:** As part of our commitment to being the best event we put special focus on the volunteers. We know asking people to spend their weekend working is a tall order. Even if work involves watching special built rally machines doing seemingly impossible speeds on dirt roads. So to really show our appreciation we work with other volunteer organizations and sponsors to supply food and water throughout the event. You also get your volunteer shirt and what ever else sponsors send your way. On top of all that we are very flexible with our volunteers. Many only volunteer for one day. All we really ask of our volunteers is to do what you signed up to do and if you can't let us know ASAP so we can find a replacement. We all have lives and sometimes life does not care that you want to watch a UTV, Rally Car, or some other vehicle drift a corner at high speeds.

**Volunteer:** So if this has peaked your interest and you want to volunteer you still can! There are two ways to volunteer. You can go to [rallydata.com](http://rallydata.com) and sign up before the event kicks off, or you can just show up at any of the event activities. Thursday at the host hotel, Friday at Larry Miller Subaru or in Placerville Saturday or Sunday morning. Ask anyone working and you will be pointed in the correct direction.

**Competitors:** love our event because Idaho Offers amazing roads. We have it all. Long stretches that allow vehicles to hit extreme speeds. Moderately technical areas that test your ability carry speed and extremely tight technical areas that test your ability to stay on the road at any speed. And we all know the weather can do anything

**Special thanks:** Idaho Rally Group would also like to thank the residents of the areas where competition takes place. It is not easy to give up access to a road you commonly use to get around for what appears to be a bunch of Adrenalin junkies. But we think most of them get a kick out of watching as well. This also extends to the local city and state governmental bodies. They ALL are big players in whether we can do the event, and to date we have been met with understanding, excitement, and great faith that the Idaho Rally Group can do what it says it can do. AND WE DO! From road grading and event safety to opening roads between stages, and post event cleanup. We strive to make these events a WIN for everyone.

So everyone, Come out and play!  
Idaho Rally Group

**There are two locations to observe the rally in the Placerville/Centerville area June 10th and 11th**

## **The Placerville Service Park**

**Exit 57 on I84 go north on Hwy 21 to Idaho City. Turn left onto Montgomery St 0.4 mi. Turn left onto Centerville Rd Continue to follow Centerville Rd 11.7 mi.**

**Turn right onto Placerville Rd 1.1 mi. Placerville Rd turns slightly left and becomes Main St 0.1 mi. Travel time about 1 hour 30 minutes**

## **Grimes Spectator Point**

**Exit 57 on I84 go north on Hwy 21 to Idaho City. Turn left onto Montgomery St 0.4 mi. Turn left onto Centerville Rd 7.4 mi. Turn right onto Grimes Pass Rd 2.5 mi. to the barricade, park on the right and follow the marshal's instructions to the Spectator Area.**  
**Total 44 mi. 1 hour 30 minutes**

**Blue= Competition Roads**

**Red= Regular and Transit roads**

# **WARNING!**

# **DANGER!**

Lower Thompson Road will be closed to  
ALL TRAFFIC

June 10th and 11th (Saturday and  
Sunday) from 8:00 am to 5:00 pm for the  
Idaho Rally.

This is a HIGH SPEED motorized event  
with CARs, UTVs, and ATVs racing on this  
road.

If you attempt to enter or cross the road  
from any trails during the posted times  
you will be subject to arrest by the Boise  
County Sheriff's Department.

This event is under permits from Boise  
County and the landowner, D.F.  
Development.

## Competitor Relations

?

Since 2007 the Idaho Rally international has catered to many individuals who fantasize about surfing over gravel, dirt, and paved roads at breakneck speeds in carefully built machines. All with the common hope to be the fastest from point A to Point B.

Idaho is the ultimate playground for these drivers and their machines. The beautiful scenery, windy roads, incredible elevation changes and the decomposed gravel for road surfaces makes Idaho an incomparable region for rallyists.

# DF DEVELOPMENT

---

## LCC

---

The Idaho Rally Group, its volunteers, and competitors would like to personally thank DF Development for generously allowing access to their property on a multi year deal.

Because of their generosity the Idaho Rally International is one of the  
**largest rallies in the United States  
Of America!**
